Training Information:
This is a FREE online training. Participants must go onto the website (www.scahec.net/schools) and create a profile the first time they take a SCAHEC online training. For information on creating a profile and registering, please click here.

Once a participant finishes viewing the training, they will be required to complete a brief post-test (on which they must score at least 75%), complete the training evaluation, and then print their certificate for their records. Participants will select their discipline with their profile and registration which will determine how their certificate prints out.

IMPORTANT: There will be no OVSEC Sign-Out sheets for this training as it is online. SCAHEC will provide OVSEC with a list of everyone who completed this training in order for participants to obtain credit. For this online training, VSPs may also submit their certificate of completion for credit.

Training Information:
