<http://www.sccadvasa.org/training-events/>

IMPORTANT: There will be no OVSEC Sign-Out sheets for this training as it is a Webinar. SCCADVASA will provide OVSEC with a list of everyone who participated in this training, their VSP numbers, and the times when VSPs logged on and off of the Webinar in order for participants to obtain credit.

Training Overview

This webinar will include a description of social networking sites, how they are used, and how they are involved in unhealthy relationship activities such as stalking, bullying, dating/interpersonal violence, and sexual violence. As more and more individuals use social networks to communicate information with others about themselves, this will also give some insight into what we should take into consideration while interacting online.
